Objective

I am a highly motivated web developer with a Bachelor of Science in Computer Science from the University of Central Punjab. I have expertise in HTML, CSS, JavaScript, and jQuery, with hands-on some Knowledge in ASP.NET MVC and SSMS. I have successfully worked on projects integrating Augmented Reality (AR) and chatbots, demonstrating my technical skills and innovative approach. My recent internship has enhanced my skills in responsive design and performance opatomization, and I am eager to apply my knowledge and creativity to impactful projects.
